## Delaware Valley Section

### TECHNICAL SESSION RESERVATION FORM

## Comply With Rules & Regulations in the Practice of Engineering in Pennsylvania

November 9, 2011, 4:15 PM – 6:00 PM

Radisson Hotel, King of Prussia

ASHE Delaware Valley is honored to present to our membership a technical session on the issues of professional ethics and compliance with the rules and regulations in the practice of engineering in the Commonwealth of Pennsylvania. The presentation will focus on the guiding principles of engineering law regulation and the responsibilities a licensed engineer has when applying a seal to any engineering work.

Our speaker is Mr. Frederick M. Brehm from Powell Trachtman Logan Carrie & Lombardo, P.C. Mr. Brehm's practice focuses on the representation of design professionals in the design and construction industry, and the negotiation and drafting of construction contracts and contracts for design professional services. He is licensed to practice law in Pennsylvania and New Jersey and has litigated hundreds of construction and design disputes in state and federal courts

**There will be a \$40 charge for all non-governmental employees, who also are not ASHE (DeVal) members (Check or cash collected at the door-separate from the dinner fee).**

Due to high demand, you **MUST** reserve a space to attend the ASHE Technical Session.
